Resilience, Advocacy

OBA *MO*mentum

WHY I AM RUNNING:

I will lead the OBA through these times of significant change:

to ensure our members have the tools to adapt and thrive—by (a) creating supports for resilient practices; (b) expanding affordable access to lawyer-focused AI and technology; and (c) making the OBA an indispensable voice in civil justice reform true to our members' needs and legal practices.

to preserve the independence of the bar and judiciary; to build on our profession's legacy of advancing justice and reconciliation; and to strengthen an inclusive and resilient OBA that advocates for all members.

I look forward to continuing to build on our many joint accomplishments at the OBA, and to accelerating our

OBA *MO*mentum.
